**“It’s never easy to start your life from scratch in a new country. The organisations like PoC are acting as a life–line for people like us helping them building their lives again.”**

- Weran, member of a religious minority in Pakistan

As we approach Christmas, so many of the people with whom we work live on the very margins of society and right now they need your help! As well as coping with the repercussions of standing up for their human rights, right now they are experiencing severe hardship, and struggling to survive the cost-of-living crisis.

### **YOUR SUPPORT CAN MAKE A HUGE DIFFERENCE**

All donations made by credit or debit card via the Big Give website between 12pm on Tuesday 29th November and 12pm on Tuesday 6th December will be instantly doubled at no extra cost to you.
